Will the Minister of LABOUR be pleased to state:

he comparative average wage/salary earnings of organized and unorganized industrial and agricultural workers in India and developed countries, country-wise?

Answer

MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI ASHOK PRADHAN)

A statement indicating average wage/salary earnings per worker, sector-wise in some developed countries based on ILO`s publication `Yearbook of Labour Statistics, 2001` is placed at Annexure-I. Another statement showing the requisite information in respect of India as per Employment & Unemployment Survey, 1999-2000, conducted by National Sample Survey Organisation is placed at Annexure-II.
